Holiday Cottage *'beautifully converted barn cottage'*

Moss Cottage Barn is a cosy yet spacious self catering barn offering a high degree of comfort fitted with a well equipped kitchen including dish washer, washing machine, eye level oven, microwave and fridge freezer.

The spacious lounge features original granite stone walls with a modern television and DVD player. There is an entrance lobby with a seating area leading in to the kitchen and wet room. The wet room comprises of a shower, toilet, wash hand basin, and heated towel rail. The stairs lead to a cosy first floor double bedroom with original granite walls and natural wood flooring.

Outside, the barn has a seating area for warmer days and evenings and a BBQ. Parking for one vehicle conveniently next to the barn. Access into the barn is via either front or back double glazed doors with a step down into the living area; although this would be unsuitable for wheel chair access it would accommodate visitors with partial mobility.

Moss cottage barn is situated in a quiet hamlet on top of Bodmin Moor close to the Camel trail for cyclists and walkers, with further options of Fishing, Golf, and Horse riding all within the locality. The barn is ideally situated to explore the surrounding area or to just simply relax. Moss Cottage Barn is within a 30 minute drive of both the North and South Cornish Coast, including the Eden Project.

Lanhydrock House is within a twenty minute drive of Moss Cottage Barn as is Bodmin Parkway railway station with connections direct to London Paddington.

Nearby are a local post office stores and the choice of two Cornish Inns both offering home cooked food and real ale with Supermarkets and other major stores located in Bodmin Town 7 miles away.
